## Aggregating Ranking Rules in R: The Package consensus

Noelia Rico

Irene Díaz

Department of Computer Science, University of Oviedo, Department of Computer Science, University of Oviedo

---

### Abstract

The abstract of the article.

*Keywords:* aggregation, ranking rules, social choice theory, R.

---

## 1. Introduction

This template demonstrates some of the basic latex you'll need to know to create a JSS article.

### 1.1. Code formatting

Don't use markdown, instead use the more precise latex commands:

- Java
- `plyr`
- `print("abc")`

## 2. R code

Can be inserted in regular R markdown blocks.

```
R> x <- 1:10  
R> x
```

```
[1] 1 2 3 4 5 6 7 8 9 10
```
